28 APR 1983

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: John H. Stein  
Deputy Director for Operations

SUBJECT: 1. Concern Regarding Protection of Information  
in Computerized Data Banks

2. Procedures for Handling "Exclusive For"  
Disseminations

Attached for your information is a copy of a message sent electrically to our Washington consumers and military commands abroad regarding above subjects. In this connection I have asked the Director, Intelligence Community Staff to conduct a survey of intelligence community computer systems pertaining to disseminated intelligence products. I would like to ensure that these systems provide adequate safeguards for the protection of sources and methods in accordance with DCID 1/7.
